INSTRUCTIONS FOR REGISTRATION STATEMENT

PURPOSE OF THE FORM: The Registration Statement is completed by the initiating jurisdiction to request registration of an existing order for enforcement and/or modification. The purpose of the form is to refer specific order information to the responding State. This form can be used in IV-D and non-IV-D interstate cases. It should be included with the other appropriate forms and directed to the responding State's central registry. It is important to remember that a separate Registration Statement is needed for each order that the initiating State is requesting be registered by the responding State.

HEADING/CAPTION:

The initiating jurisdiction adds its IV-D case and tribunal numbers to the heading, at the space available. The responding jurisdiction will add its IV-D case and Tribunal numbers to the heading after receiving the form from the initiating jurisdiction. Under "IV-D case number", enter the number that was sent to the Federal Case Registry.

SECTION I. CASE SUMMARY:

Provide complete information for all court/administrative actions regarding support for dependents. Use a separate Registration Statement form for each court/administrative order you are requesting be registered. If this order was determined by a tribunal to be the controlling order, check "Yes". If not, check "No". If this is the only order, check "Only order". For "Period of Computation", enter the month, day, and year for both the beginning of the current support obligation and the end date of the computation. The information in this section will be used to aid in verifying calculated arrearages and to assist in determining/verifying which order is controlling and which State has continuing exclusive jurisdiction. The arrears statement/payment history must support this calculation.

Attach the required number of copies of all pertinent orders that relate to support. You will generally need to attach two copies, one of which is certified, of any support order. Note, however, that some responding States may be able to take certain administrative enforcement actions (e.g., interstate income withholding) without having a certified copy of the order, although a regular copy is necessary.

SECTION II. MOTHER INFORMATION:

This section provides basic information about the child(ren)'s mother. Check the appropriate box to indicate if the mother is the obligor or obligee. Provide the mother's full name (first, middle, last) as well as aliases and maiden name, and all other information. This information must match with the court or administrative order.

SECTION III. FATHER INFORMATION:

This section provides basic information about the child(ren)'s father. Check the appropriate box to indicate if the father is the obligor or obligee. Provide the father's full name (first, middle, last) as well as aliases, and all other information. Provide the name and full address for the father's employer.

SECTION IV. CARETAKER (IF NOT A PARENT):

Complete this section only if the child(ren)'s caretaker is not the child(ren)'s parent. In the space labelled "Relationship to Child(ren)", indicate the relationship of the caretaker to the child(ren). Provide the caretaker's full name (first, middle, last) as well as aliases or maiden name, and all other information. Indicate whether the caretaker has legal custody/guardianship of child(ren), if known.

SECTION V. ADDITIONAL CASE INFORMATION:

In this section, provide additional information which may be useful to the responding jurisdiction in working the case, such as a complete listing of all States where the child support order has previously been registered and a description, including the location, of all known property or assets not exempt from execution. In addition to the requested information, use this portion of the form to provide other information which may assist the responding jurisdiction in its efforts to register the order.

SECTION VI, VERIFICATION / CERTIFICATION:

The Registration Statement may be signed by either the party seeking registration or an authorized IV-D representative/records custodian. Check the appropriate box to indicate who has signed this form.

The verification signature requires a notary.
